APPENDIX A – The south shore of Lake Pontchartrain.

10 COURSES

- 10.1 APPENDIX B – STANDARD COURSE DIAGRAMS illustrates and describes the standard courses and options, including the relative positions of marks, the order in which marks are to be passed, and the side on which each mark is to be left. m_1 , m_2 , m_3 , & m_{SF} represent fixed mark designations, as provided by instructions 10.3(a) and 11.1, which correspond to Marks 1, 2, 3 & start/finish respectively, as illustrated. The RC may also specify a steeplechase course as provided by instruction 10.4.
- 10.2 TEMPORARY MARK COURSES shall use only temporary marks and shall be designated in accordance with Appendix B.
- 10.3 FIXED MARK COURSES
- (a) Fixed mark courses shall use only fixed marks, except that one (1) temporary mark may be used, but only as the starting mark, the start/finish mark, or the first mark after the start and shall be listed as “X” in the course designation.
 - (b) Standard fixed mark courses shall be designated as provided in Appendix B. The relative angles of the legs may vary from the diagrams to accommodate the fixed marks.
- 10.4 STEEPLECHASE COURSES shall be fixed mark courses designated by a list of the marks of the first round of the course, in the order to be rounded, beginning with the first mark after the start. Except as required by instruction 15.3, boats shall round each mark on the side such that the course to the next mark does not cross the course from the previous mark and a mark beginning a leg which returns to the preceding mark shall be left to port.
- 10.5 No later than the preparatory signal for each class, the RC boat shall display the following: (this changes Rule 27.1)
- (a) The course designation for the starting class.
 - (b) For courses using one or more temporary marks, the approximate compass bearing from the start to the first mark after the start.
 - (c) For handicap temporary mark courses, the approximate distance, in tenths of nautical miles, from the start to Mark 1.
- Note that different courses may be designated for different classes.
- 10.6 The RC may hail course information to competitors as provided in instruction 4.2.
- 10.7 Courses shall not be shortened to less than three (3) legs for standard triangle courses and two (2) legs for all other courses. This changes Rule 32.
- 10.8 For handicap scoring purposes, the course length shall be rounded to the nearest tenth (0.1) of a nautical mile and times shall be recorded and calculated to the nearest whole second.

11 MARKS

- 11.1 FIXED MARKS are located and identified as shown in APPENDIX A - RACING MARKS. A missing fixed mark may be replaced with an orange tetrahedron, cylinder or sphere, but its original fixed mark designation shall remain.
- 11.2 TEMPORARY MARKS used for one or all marks of a course shall be as follows:
- (a) Marks 1, 2, 3, “X” and the start/finish mark shall be orange tetrahedrons, orange cylinders or orange spheres.
 - (b) New marks, used in accordance with instruction 15.1, shall be yellow tetrahedrons, yellow cylinders or white spheres.
 - (c) Unless otherwise indicated, tetrahedrons, cylinders and spheres will not be used on the same course.

12 CHECK-IN BEFORE THE START

Before the first warning signal of the first race on each race day, each boat shall sail near the RC signal boat and hail her class and sail number and be acknowledged by the RC. A boat failing to check-in may be scored DNS. This changes rule A4.1.

13 THE START

- 13.1 The starting line will be between a staff displaying an orange flag on the RC boat at the starboard end and the port-end starting mark.
- 13.2 When the warning signal for a succeeding class is made simultaneously with the starting signal of the preceding class and if a course change is made, the change of display (distance and/or course) will be made between the warning and preparatory signals.
- 13.3 Boats whose warning signal has not been made shall avoid the starting area.

13.4 A boat starting later than five (5) minutes after her starting signal will be scored DNS without a hearing. This changes rule A4.1.

14 INDIVIDUAL RECALLS

The RC will attempt to hail each recalled boat as provided in instruction 4.2. The failure of any boat to hear the hail, an untimely hail of OCS boats, failure to hail any boats, and the order of the boats in the hail shall not be grounds for a request for redress. This changes rule 62.1(a). This alters Rule 29.1 and shall not constitute infringement of Rule 41.

15 CHANGE OF THE NEXT LEG OF THE COURSE

15.1 When using temporary marks, to change the next leg of the course the race committee will lay a new mark and remove the original mark as soon as practicable. The change will be signaled before the leading boat in a class being changed has begun the leg, although the new mark may not yet be in position. When in a subsequent change a new mark is replaced, it will be replaced by an original mark.

15.2 When using fixed marks, to change the next leg of the course the RC shall display the letter designation of the new fixed mark in lieu of the compass bearing. This alters rule 33.

15.3 Boats shall round the mark beginning a changed leg in the same direction as it was to be rounded before the change. This may alter instruction 10.4.

16 THE FINISH

The finish line will be between a staff displaying an orange flag on the RC boat and the nearby finishing mark.

17 TIME LIMIT

The time limit shall be 2.0 hours for each One Design class and 4.0 hours for each handicap class.

18 PROTESTS

18.1 A boat intending to protest shall notify the RC of the protested boat and sail number and be acknowledged by the RC upon finishing the race or, if unable to finish, at the first reasonable opportunity. This changes Rule 61.1.

18.2 Protests shall be delivered to the NOYC office within one (1) hour after the docking time of the RC boat as posted in accordance with instruction 3. Hearings will be held as soon as possible subject to the availability of the parties involved and the protest committee. This changes Rules 61.3 and 62.2.

18.3 US Sailing prescription T2, "Penalties Taken After a Race", and T4.2 apply.

19 SCORING

19.1 The Low Point scoring system of Appendix A will apply, except that no score will be excluded. One race constitutes a series. This changes rule A2.

19.2 The scoring system may be modified by individual classes with proper prior notification given to the RC.

20 SAFETY REGULATIONS

20.1 Life jackets of USCG-approved design shall be worn by the crews of all single-handed and trapeze boats at all times while racing. On all other boats it is the responsibility of the skipper and crew to determine when life jackets will be worn. The meaning of Race Signal Y is changed to, "Comply with RRS 1.2".

20.2 A boat that retires from a race shall notify the RC before leaving the racing area or, if unable to do so, shall contact the RC or the NOYC office as soon as possible, but no later than directly upon arriving ashore. Failure to promptly report a retirement will be grounds for a fine and/or other penalties.

21 PRIZES

Trophies will be awarded for First – Third (1–3) Places.

22 DISCLAIMER OF LIABILITY

Competitors participate in the regatta entirely at their own risk. See rule 4, Decision to Race. The organizing authority will not accept any liability for material damage or personal injury or death sustained in conjunction with or prior to, during, or after the regatta.
